

CSUF Student Deferred Payment Program Policy

Purpose

The purpose of the Student Deferred Payment Program is to provide CSUF students (“Purchaser”) the ability to make payments on books and other needed course material (“Materials”) through the CSU Fullerton Auxiliary Services Corporation at Titan Shops. All purchases made on the Deferred Payment Program must be paid in full prior to the registration period for the next semester. Payment due dates will be established each semester by Titan Shops.

Eligibility

All current CSU Fullerton students with a valid Campus Wide ID (CWID) and TitanCard.

Procedure

Purchaser takes selected Materials to any cash register in Titan Shops and informs associate that they would like to utilize the Deferred Payment Program.

Titan Shops associate processes the purchase and the Purchaser signs the Deferred Payment Program agreement, showing a current TitanCard and providing their CWID. Contact information, including a phone number and email address are also required.

A non-refundable processing fee of \$15 per term will be applied to the charge.

The Purchaser can make a payment in any amount, at any time during Titan Shops operating hours. Acceptable methods of payment are: cash, check, debit, Visa, MasterCard, American Express and Discover.

Program Guidelines

The total deferred payment purchase(s) cannot exceed \$500 per term.

All course materials and supplies needed for class are eligible.

No interest is charged during the deferment period.

Payment is required to be made in full by the date established for the term in which the purchase was made.

Any purchases not paid in full by the established due date, will result in a hold placed on the student’s academic record. Holds will be released from the students account once paid in full, and make take up to 48 business hours for processing.

Agreement

I understand and agree that repayment of deferred purchase(s) will be made in full by the established due date. I understand and agree that any balance not paid in full by the due date will result in a hold placed on my academic records. Such hold will not be released until payment in full is made and may take up to 48 business hours for processing. Titan Shops will attempt to send an e-mail reminder on the balance due, two weeks prior to the due date.

I have read and fully understand the provisions as outlined in the agreement and agree to adhere to all conditions and terms as stated.
